Linyu Hospitality Furniture is a distinguished hospitality manufacturer that is renowned for its high-quality standards and excellent craftsmanship.

Since 2008, we've been working with hotels, resorts, designers, and architects to create stylish and high-quality furniture for guest rooms and public spaces.

At Linyu, we specialize in custom furniture for the hospitality industry and other sectors like apartments, universities, and hospitals. Whether you need something unique or have specific requirements, we can provide exactly what you're looking for.

We offer a wide range of high-quality products, from custom-made pieces to standard items like case goods, seating, tables, dressers, mirrors, and clothes racks.

We're proud to be recognized as one of China's top hospitality furniture manufacturers, thanks to our skilled production and design team with years of experience in the industry.

OUR Factory

Based in Foshan, China, we operate a modern 77,000 square meters manufacturing facility with over 360 dedicated employees.

Our core competence lies in unmatched strong production capacity. This allows us to deliver on time within a limited time frame while maintaining quality.

We are committed to excellence. To achieve higher precision products, we never relent, continuously researching and exploring advanced techniques, while maintaining a close collaboration with equipment manufacturing factories.

Since its inception, Linyu's products have been shaped by extremely passionate people with shared values and goals. The heart of the company has always been the people who work here. We're down-to-earth, honest and we're invested in our customers success.

Certification

Linyu has achieved ISO 9001, ISO 45001, and ISO 14001 certifications, as well as the CQC (China Quality Certification). These certifications not only highlight our excellence in environmental, quality, and safety management but also provide a significant advantage for our clients during the project bidding process, increasing the likelihood of winning orders.

- ISO 9001: As a globally recognized standard for quality management, this certification demonstrates our unwavering commitment to superior quality, ensuring that we consistently meet our clients' expectations.
- ISO 45001: This certification for occupational health and safety management shows that we prioritize the health and safety of our employees, implementing strict measures to reduce workplace risks.
- ISO 14001: This environmental management certification reflects our dedication to environmental protection and sustainable development. Our effective management practices help minimize our impact on the environment, which is especially important in today's eco-conscious market.
- CQC Certification: Awarded by the China Quality Certification Center, this certification further validates RHT's quality compliance and management standards.

Cooperative Brands

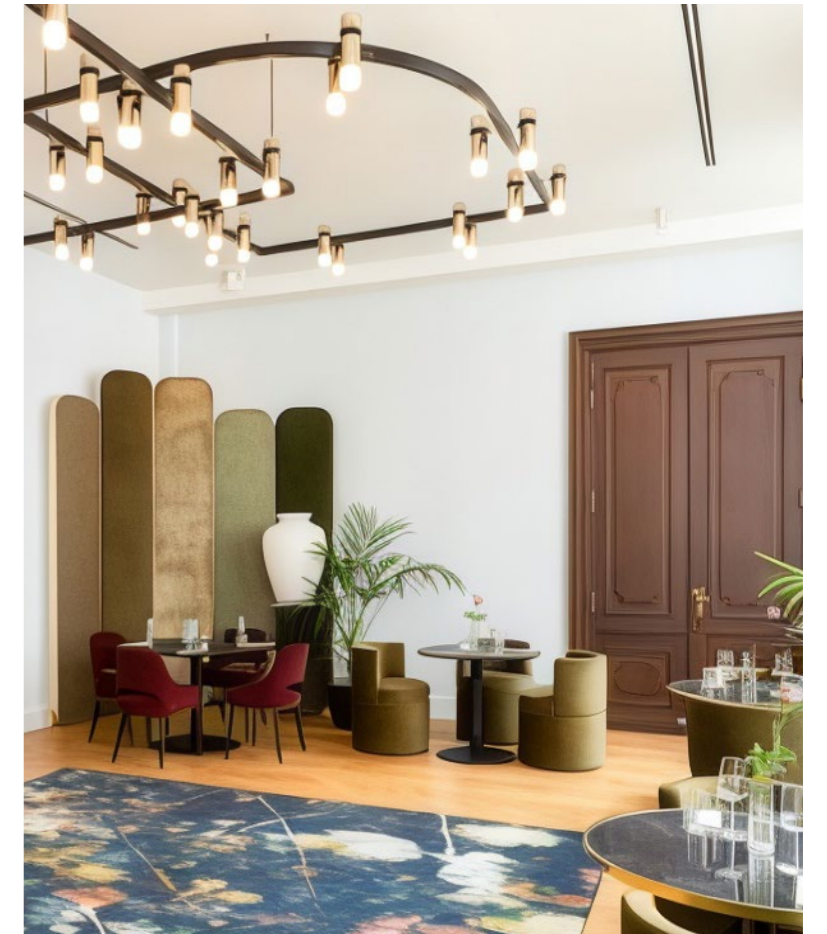

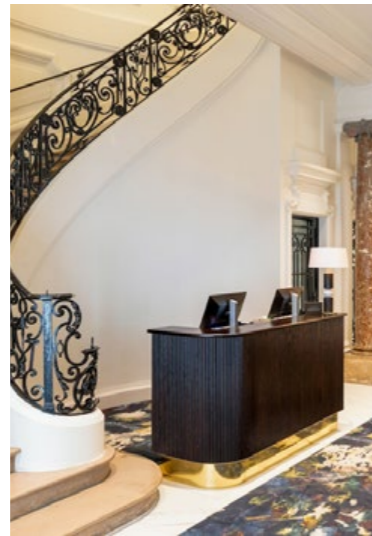

Over the years, Linyu has carried out hundreds of projects in different sectors all over the world: from hotel to resort and from apartment to school. We have established long-term and stable cooperation with more than 60 brands around the world.
